EXTRA BRIGHT STAR ATTRACTS CROWD

Bethlehem, Israel...Last night in Bethlehem during the rush for tax registration a very bright star shone in the sky. It attracted crowds of shepherds and other people to a stable. Mr. and Mrs. Joseph had a son while staying in the shed.

It is believed by some persons that it is the Messiah that they have expected all these years.

The Josephs were staying in the stable because the hotels were all full.

Gifts were brought from shepherds to kings. The baby was laid in a manger and mother and child both wore halos.

Closing Prayer for 1967 V.C.S.

Dear God,

This has been a good week for both young and older. We've all been together again - because it's been such a long time - and all had fun at it. We've been studying about what the Bible says about love. We've decided what the world needs most is love and peace.

Closing Prayer - partially taken from V.C.S. prayer - written by one of the students.
